Dear Friends,

The NEST+m PTA is very excited to announce our Online Auction starting on Sunday, February 2nd, 2020 and closing with final bidding on Sunday, February 9th, 2020.

NEST+m is the only K-12 public school located in New York City solely dedicated to the education of gifted and talented students. It has more than 1,800 students from all five boroughs. Our school is committed to providing not just an outstanding academic education for our students, but to creating programs that support their growth as scholars, artists, and citizens of the world.

We exist to support this unique public school by providing funding for services and programs the school desperately needs but is unable to provide. Please help us raise more than $80,000 for teaching assistants, Singapore Math materials, Teachers College Reading and Writing Program partnership and curriculum, Visual and Performing Arts support, textbooks, musical instruments, and professional staff development. In addition, the PTA funds faculty advisors for NEST+m’s myriad of academic and sports clubs, as well as numerous other programs such as dance residencies and visiting author series.

While our families actively support the PTA with contributions, it is not enough to cover all of our expenses. We need your help! Our community will thank you by shopping at your store, eating at your restaurant, and visiting your business. We have over 3,500 subscribers who visit our online auction each year, so this is a great way to build exposure and highlight your support for high quality public K-12 education.
